- Grade 12
- Successful completion of Sterile Supply Processing course
- Plus one year recent related experience or an equivalent combination of education, training, and experience.

### **Life in Victoria, BC:**

Victoria, often referred to as Canada's Garden City, is one of the most coveted places to reside in British Columbia. With its mild climate, you can enjoy year-round outdoor activities such as hiking, golfing, kayaking, mountain biking, and more. But don't let the tranquil "Garden City" name fool you—Victoria also boasts fantastic shopping, a dynamic food scene, and beautiful scenery. There's truly something here for everyone.

**Vaccination Notification:** To keep our employees, clients and the communities we serve safe, Island Health is enforcing an employee mandatory vaccination policy which is intended to prevent the transmission of COVID-19. As such, Island Health requires Proof of BC Provincial Immunization Registration as a condition of employment, and any offers of employment are contingent on you providing proof of vaccination prior to commencement of the offered effective date. If an offer of employment is extended, but proof of vaccination is not provided, the offer will be rescinded.

Island Health is an equal opportunity employer and encourages applications from all qualified individuals, including those with diverse backgrounds and those with disabilities. If you require assistance or accommodation during the application process, please contact our Indigenous Recruitment and Retention team at [indigenousemployment@islandhealth.ca](mailto:indigenousemployment@islandhealth.ca).
